NEWSLETTER

Week 10 Term 3 Wednesday, 26th September 2018

Principal's Message

Dear Families,

Vision Statement

The Rock Central School will strive to achieve a quality learning culture, which supports students to reach their greatest potential.

Our School will meet the individual needs and interests of each student, inspiring them to become, literate and numerate and productive members of the community.

Happy holidays everyone, your children have worked hard, learnt a lot and grown within themselves during this term and need to be congratulated on their personal growth. We wish everyone a safe and event free holiday and look forward to our return on the 15th of October.

Concert Week 1

The concert matinee and night performances will be held on Wednesday, 17th October. We are trialling having the concert at school, with our new stage set up under the Primary COLA (Secondary COLA if the weather is inclement). The canteen will be operational with the coffee machine running and all sorts of other goodies available for sale. If your child/ren cannot make the evening performance, please let the classroom teacher know this week. As usual, I cannot wait to see the fantastic performances the students and teachers have been diligently rehearsing. If you haven't got your tickets yet, you still have a few days next term. We will be having rehearsals on Monday and Tuesday, the first two days back, so please keep your children practicing at home over the holidays.

Training Day one Term 3

The Department have developed a new pay system. Mrs Marsh, Mrs Adams and myself will be away training on the first day next term. We are looking forward to finding out more about the system.

Primary Excursion Week 2

After the concert week, Primary students will be excited to go on their end of year excursion to Canberra. If there are any changes to your child's health needs leading up to the excursion, please contact the school so we can have all measures in place to support your child.

Donna Rockley - Principal

Healthy Kids Association

Fruit & Veg Month

3rd—28th September

The theme for this year is 'Happy Fruit & Veg-tember'.

The aim is to improve students knowledge and attitude towards eating fruit and vegetables.

When a healthy option is selected which includes fruit and/or vegetables from the Canteen the student receives a reward sticker.

Healthy eating resources are also provided so teachers can reinforce the importance of eating healthy foods.

Fruit & Veg Month

It's not too late to claim this year's \$100 Active Kids voucher

The NSW Government is helping children get involved in sport and fitness with the Active Kids program. School-enrolled children will be eligible for a \$100 Active Kids voucher annually.

The voucher can be used with any approved Active Kids Provider, to help cover costs towards registration, participation and membership fees for sport, fitness and active recreation activities.

This year's voucher doesn't expire until 31 December, so there's still plenty of time for parents and carers to download and redeem theirs.

You can support the Active Kids program by downloading our flyer and displaying it on your school noticeboard, or including details of the program in your school newsletter. If you would like any additional collateral, such as Facebook tiles or logos, please contact Mike Collins.

Visit our website for more information.

Henty Field Days

Last week 20 secondary students travelled to the Henty Field Days to look at the latest farm machinery and other exhibits. Popular exhibits with the students were the snake show, the V8 supercar simulator, face painting and without a doubt, the lolly shop.

Byron, Callum, Jacob, Katelin and Robert ready to roll!

On behalf of the teachers I would like to congratulate all of the students on the way they represented the school and their ability to be on time for the three roll checks.

Secondary Incentive Day

A Secondary Incentive Day was organised as a reward for students who enthusiastically participated in physical activity during Term 3. We went to Wagga Ten Pin Bowling complex, everyone had a great time. It was evident many students had played before, leaving the supervising staff in their wake. Congratulations to all students on the day for great involvement and impeccable behaviour.

Mr Gavin Price-Jones - Head Teacher Secondary

Hot Shots Tennis

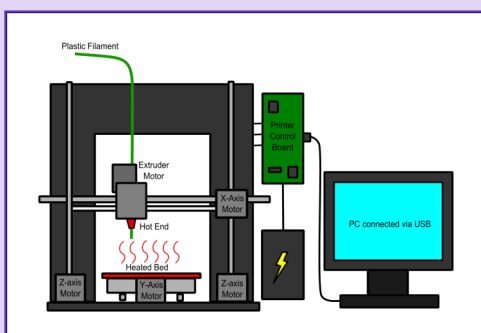

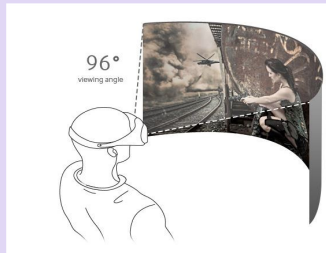

Over the past five weeks, primary students have been participating in the Hot Shots Tennis program at the local tennis courts. Students have thoroughly enjoyed participating in this program and have learnt a range of tennis skills.

YEAR 9 & 10 STEM

Lockhart Shire Council visited the school on Monday to showcase virtual reality, augmented reality and 3D printing as part of a Year 9 & 10 study in STEM. Students had the opportunity to use the three different interactive technologies and discuss their integration into society.

WAGGA CRICKET BLAST

Last Thursday students from Years 5 and 6 played in the T20 Blast Cricket Day in Wagga. We had some wins and some loses, however it was a great day. Students displayed sportsmanship, teamwork and commitment. The students were fine ambassadors for TRCS. Thank you to Mrs Traci Driscoll and Mrs Leeanne Evans for organising the day and driving the team into Wagga.

Girls Night In

As part of our wellbeing program Mrs Higginson, Mrs Cummins and I hosted a Girl's Night In at school last Thursday. The aim of this activity was to promote positive and supportive relationships between the secondary girls. We participated in team building activities, had discussion about body image and enjoyed cooking dinner and watching a movie together. The girls were fantastic and all appeared to have a wonderful time interacting with each other.

'It was really fun and I think what we learnt will help when we're struggling' - Meg

'It was really good and we all got along so well' - Lily

'It was really fun and so positive' - Matilda

Mrs Rebecca Loes
